

Version 2 (March 20)

Centre for Logic and Analytical Philosophy
University of Leuven, Belgium

**Program of the
Workshop on Probability, Confirmation and Fallacies
Leuven, Belgium, April 3 – 7, 2008**

Thursday April 3: arrival at hotel New Damshire, Schapenstraat 1 (entrance in Pater Damiaanplein), 3000 Leuven

Friday April 4

9:00 Pick-up at hotel New Damshire by Jeanne and David, walk to philosophy institute

9:30 – 11 **David Atkinson**
Confirmation, disconfirmation and probabilistic fallacies

11 – 12:30 **Jonah Schupbach**
Recent experiments on confirmation and the conjunction fallacy

13 – 15 LUNCH

15 – 16:15 **Katya Tentori**
The conjunction fallacy in perspective: evidence and theory

16:15 – 17 **Theo Kuipers**
A realist partner for Linda: a theoretical hypothesis can be more confirmed than its observational subhypothesis

18:15 Pick-up at hotel by Jeanne and David, walk to Faculty Club for (complimentary) workshop dinner

Saturday April 5

9:00 Pick-up at hotel New Damshire

9:30 – 11 **Vincenzo Crupi**
The diagnosticity of evidence and the pseudoevidence of pseudodiagnosticity

- 11 – 12:30 **Tomoji Shogenji**
The degree of justification and the conjunction fallacy
- 13 – 15 LUNCH
- 15 – 16 **Jeanne Peijnenburg**
A case of confusing probability and confirmation
- 16 – 17 **Jan-Willem Romeijn**
A Condorcet jury theorem for unknown juror competence

Sunday April 6

- 9:00 Pick-up at hotel New Damshire
- 9:30 – 11 **Roberto Festa**
On the Matthew effect and other properties of Bayesian confirmation
- 11 – 12:30 **Branden Fitelson**
The Wason selection task and Bayesian confirmation theory
- 13 – 15 LUNCH
- 15 – 15:45 **Igor Douven**
Can evidence of evidence be evidence?
- 15:45 – 17 **Stephan Hartmann**
Between unity and disunity: a Bayesian account of intertheoretic relations
- 19 Dinner (at your own expense) in restaurant Kokoon, 's Meiersstraat 1,
Leuven, www.kokoon.be

Monday April 7: departure

*All the lectures and discussions take place in **Room N** of the Higher Institute for Philosophy (Hoger Instituut voor Wijsbegeerte, HIW) of the University of Leuven, Kardinaal Mercierplein 2, Leuven. All the lunches are in the adjacent salons. Since this is an informal workshop, the times should be regarded as being merely guidelines, and there will be no meticulous timekeeping.*
